### Dock Repair

*Your safety is our priority. Our trained professionals will be evaluating your pier and lifts for safety and repairs. Please indicate what you would like done in regards to any potential issues we may find.*

- After removal we will contact you in regards to any dock or lift parts that we deem unsafe or that require repair so that we can make repairs if necessary.
- Please contact me with an estimate prior to making any repairs.
- I have concern about the following. Please pay special attention to the following when installing my pier(s) and lift(s):

I hereby authorize the above service work to be performed on my lift(s) and/or pier(s). Along with the service work requests I understand that certain materials and/or labor may be required. I respect the judgment of Oshkosh Equipment in determining if approval is necessary prior to installation and/or repair.
